## Corporate Banking

PKB has developed an active presence in financing both private and entrepreneurs / corporate customers and offers a comprehensive range of products and services. The Corporate Banking Division's specialists accompany our customers in their search for the most suitable solutions to their financing needs. They also support customers through the various steps of real estate acquisitions.

### CORPORATE BANKING

The range of services provided by our bank includes the various forms of lending, guarantees and Letters of Credit. PKB Corporate Banking claims a specific know-how in the structuring of customized financial transactions for both private and corporate clients.

Our specialists assist and determine with the clients the ideal funding solutions for real estate transactions. PKB can lend against all types of properties: main and secondary residences, investment properties and commercial or industrial buildings. Our specialists can also assess and provide support in property development projects.

The Corporate Banking Division, in addition, assists and provides financing to our corporate clientele for its national / international commercial transactions. Its specialists devise the best solutions geared towards each individual customer's needs.

Finally, PKB provides advice regarding the management of exchange and interest rate risks.

### Our services

---

#### "Lombard" loans

PKB grants this type of loan to allow customers to purchase securities or to temporarily meet liquidity requirements without divesting their portfolios.

---

#### Mortgages

PKB assists, with a customized approach and mortgage loans, clients intending to acquire real estate in Switzerland for residential, commercial or industrial use. Our specialists offer customers comprehensive advice and accompany them through the various phases of the investment, from the choice of the property to the closing of the acquisition.

# CORPORATE BANKING

---

**Commercial loans**
